The St. Jude of the Lake Parish and School Community is committed to helping students achieve their academic dreams well beyond their years here. St. Jude of the Lake Catholic School is now offering our best and brightest students a variety of merit scholarships. Applications are available in the school office and on our school website. Students will be notified, and awards applied accordingly.

## True Penguin Power

This is a merit scholarship based on the number of years attending St. Jude of the Lake Discovery Center and School Day. For every year, a student attends St. Jude of the Lake, and applies for the scholarship, the student will receive \$50 in penguin bucks. If your student plans on attending Hill-Murray, after graduation, Hill- Murray will match the total amount dollar for dollar. If your student will be attending another academic institution, the monies will be applied to their graduation year tuition. Simply have your student fill out the application *each year* and turn it into the office BEFORE JUNE 1, 2021 to be eligible for the completed school year. The penguin scholarship is non-transferrable and is not redeemable for cash.

## **The Clark John Edward Schulte Memorial Scholarship**

**This scholarship fund was created in memory of Clark John Edward Schulte. Clark attended St. Jude of the Lake Catholic School and Mahtomedi High School. He became an Eagle Scout for Troop 433. After high school, he went on to become a Bulldog at the University of Minnesota- Duluth. Following his college graduation, he worked as a mechanical engineer at a leading health care company. Clark was an outdoorsman, who loved to go camping, fishing, hiking and singing by the campfire. More than anything, Clark put his family at the center of his life. Clark was known for his faith, generosity, friendship and love for all things outdoors. In establishing this scholarship, Clark's family and friends wish to recognize the impact a Catholic education and the love of the St. Jude School community made in his life.**
